

TERMINAL CITY CLUB

POSITION POSTING

MAINTENANCE TECHNICIAN

ABOUT THE POSITION

The Terminal City Club, Vancouver's Premier Private Members Club offers members and guests a welcoming environment and the opportunity to forge new business connections, host clients, entertain friends, keep fit and relax. Our team of service professionals take care of our members and in turn, we take care of our team.

For our employees, we thrive in a team oriented, member-first environment, offering competitive wages, extended benefits & pension, Club Fund bonus, staff events, development opportunities, hot meals daily, easy access to transit and more! If this sounds like a place you would like to be a part of, this opportunity may be for you.

As a full-time Maintenance Technician, your hands-on technical support in all areas of the Club is what keeps it running smoothly. You thrive in an ever-changing environment where no two days are the same, and work well by yourself, as well as part of our Maintenance team. Your constant eye on maintaining a safe, healthy and functional facility for our Members, Guests and Staff is critical to our success at TCC!

JOB RESPONSIBILITIES

- Perform a highly diversified number of duties related to maintenance; install, troubleshoot, repair and maintain facility equipment and general building maintenance according to safety standards, predictive and productive maintenance systems
- Conduct daily walk-throughs of the Club's critical maintenance areas and track activities as directed
- Work closely with the Lead Technician, Assistant Building Engineer and Chief Engineer as required

REQUIRED SKILLS AND EXPERIENCE

- Two (2) years of maintenance experience in a commercial or residential multi-functional building preferred
- Class 4 Power Engineering ticket an asset
- Hands-on practical knowledge of most common mechanical building equipment, food service equipment and general building maintenance
- Familiar with most common plumbing, electrical, refrigeration and kitchen production equipment
- Demonstrated track record of safe handling and usage of most power tools
- Able to work efficiently and calmly in a fast paced environment with frequently changing priorities
- Works well in a team environment as well as independently
- Effective communicator with good interpersonal and listening skills
- Understands and applies Health & Safety regulations, laws and protocols at all times

WORKING CONDITIONS & PHYSICAL REQUIREMENTS

- Must be able to lift and unpack boxes up to 20lbs
- Work with engineers and technicians supporting a large commercial building
- Work under tight deadlines and often high pressure emergencies due to appliance/equipment/parts failure
- Regular shifting of priorities due to the nature of commercial building maintenance
- Morning, Afternoon, Evening shift work including weekends

HOW TO APPLY

If this sounds like you, please submit your resume to Newton Rajapakse, Chief Building Engineer at hr@tcclub.com.

Due to the high volume of applications Terminal City Club receives, only those candidates being considered will be contacted. We thank all applicants for their interest.
