GROOMING, HAIR & MAKE-UP

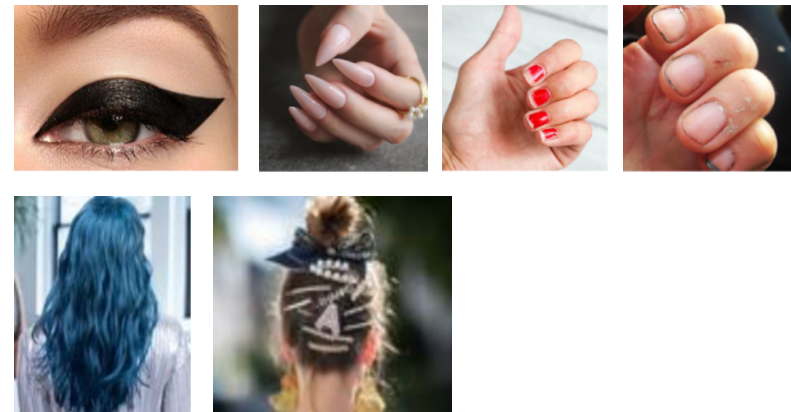

OUR STYLE

- **TCC & Lions Pub are a low/no scent environment.** Use of scent-free or lightly scented personal care products, when possible.
- **Makeup that appears natural, polished, and professional**
- **Clean teeth and fresh breath** (mouthwash is available in S-Level changerooms). If you are a smoker, you must ensure that your breath and hands are free of tobacco colour and odour.
- Daily baths/showers and use of deodorant are a must.
- **Fingernails** must be well maintained and neatly trimmed (no longer than a ¼inch beyond the finger). You must be able to use a POS or Finger Scan-In device. Polish must be subtle, of a classic colour (ie. pink, red, nude, complimentary colours), without ornamentation or designs.
- **Hair** must be clean, brushed, in good hygiene and kept away from the face. Hair past your collarbone must be neatly tied back in F&B environments. Facial hair must be neatly trimmed, clean, and well-maintained.

NOT OUR STYLE

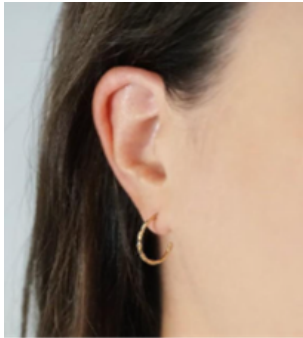

- Heavy or theatrical makeup, extreme colours, or visible glitter; smudged, worn, or unkempt make-up.
- Neglecting personal grooming or cleanliness.
- Strong fragrances, colognes, or aftershaves that linger or overpower (**TCC & Lions Pub are a low/no scent environment**).
- Chipped nail polish of any kind, dirty or un-maintained fingernails; nail art, bright colours, or heavily embellished designs; and nails that exceed the acceptable length limit.
- Unkempt (greasy and/or unwashed), messy, wet-look hairstyles or overly casual hairstyles; any extreme or unnatural hair colour or streaks are subject to the approval of your manager, given the suitability for your role.
