TERMINAL CITY CLUB
position posting

MAINTENANCE TECHNICIAN, ENGINEERING

The Terminal City Club, Vancouver's Premier Private Members Club. As a Platinum Club of the World' and one of Boardroom Magazine's 'Distinguished Clubs' with 'Iconic' status, we create a welcoming atmosphere for our members and guests with the opportunity to forge new business connections, host clients, entertain friends, keep fit and relax.

ABOUT THE POSITION

As a **Full-Time Engineering Maintenance Technician**, your hands-on technical support in all areas of the Club is what keeps it running smoothly. You thrive in an ever-changing environment where no two days are the same; work well on your own, as well as part of our team. Your contribution to maintaining a safe, healthy and functional facility for our Members, Guests and Staff is critical to our success at TCC.

JOB RESPONSIBILITIES

- Conduct regular inspections and maintenance of systems and equipment; monitor HVAC systems, electrical, plumbing and appliances
- Troubleshoot and diagnose maintenance issues
- Conduct daily audits of the Club's critical maintenance areas and track activities as directed
- Maintain machinery, equipment and tools by cleaning, lubricating, greasing and/or oiling to ensure optimum working order
- Handle emergency requests from guests, members and team members to ensure satisfactory and timely resolutions
- Adhere to all health and safety policies/procedures, good manufacturing practices, and wear the required personal protective equipment (PPE) while in the warehouse and production areas

REQUIRED SKILLS AND EXPERIENCE

- **Class 4 Power Engineering ticket required**
- 2 years maintenance experience in a commercial or residential multi-functional building preferred
- Hands-on practical knowledge of common mechanical building equipment, food service equipment and general building maintenance
- Familiar with common electrical, refrigeration, plumbing and kitchen production equipment
- Demonstrated track record of safe handling and usage of power tools
- Able to work efficiently and calmly in a fast-paced environment with frequently changing priorities
- Works well in a team environment as well as independently supporting a large commercial building
- Effective communicator with good interpersonal and listening skills
- Understands and applies Health & Safety regulations, laws and protocols at all times
- Able to lift and unpack boxes up to 11kg/25lbs
- Available for morning, afternoon, and evening shifts including weekends

WHAT'S IN IT FOR YOU?

Our team of service professionals take care of our members and in turn, we take care of our team. We offer extended benefits & pension, staff events, development opportunities, hot meals daily, easy access to transit and more! As a Maintenance Technician, you'll enjoy competitive wages ranging from $37.25 to $38.25 per hour. If this sounds like a team you would like to be a part of, this opportunity may be for you.

HOW TO APPLY

If this sounds like you, please submit your resume to Newton Rajapakse, Director of Engineering at hr@tcclub.com.

We thank all applicants for their interest; those being considered will be contacted.
